

DO YOU WANT A PROBLEM FREE PET FOREVER?

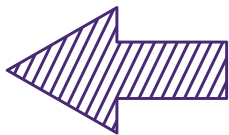

"A professionally trained Animal Behaviourist, is not a Dog Trainer or a Vet, they are a qualified Animal Psychologist. We know what drives your pet to act, feel & behave the way they do. Some people call us Pet Whisperers, however we are trained professionals"

**Dionna Newton BSc (Hons)
AdvDipCABT VN**

Most common pet behaviour problems can be prevented if you take action early before they start. This is easily done by having a one off Preventative Behaviour Consultation with an Animal Behaviourist right in your own home via video call.

For little cost, in just 1 hour learn strategies required to enable you to:

- 🐾 **Positively influence your dogs behaviour & shape your perfect dog!**
- 🐾 **Prevent your dog being fearful or nervous of new things, people, or dogs**
- 🐾 **Manage over excitement and hyperactive behaviour**
- 🐾 **Learn about mental stimulation to prevent destructive behaviour**
- 🐾 **Prevent Separation Anxiety - so they are happy to be left alone**
- 🐾 **Socialise your puppy to everything in life without creating problems**
- 🐾 **Learn about the puppy, juvenile and adult dog stages of behaviour**

**BOOK A PREVENTATIVE CONSULTATION:
SCAN THE QR CODE OR VISIT
WWW.ANIMALBEHAVIOURAUSTRALIA.COM**

Your dog will be assessed looking at their unique personality, breed & specific requirements. This is most effective done at home via video call as they don't know they are being assessed, so their behaviour doesn't alter. We see your pets true personality, lifestyle & family situation.
